WHO

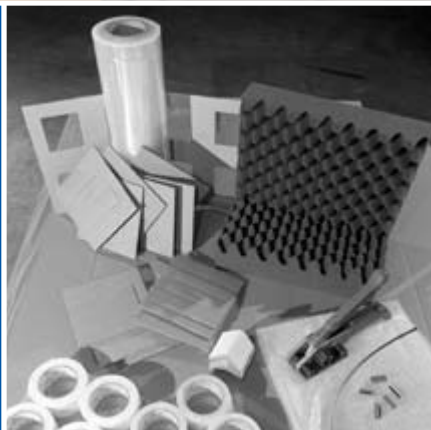

Elsons International, Inc. specializes in packaging solutions. We have manufactured corrugated packaging solutions for domestic and export shipments for over 20 years. We provide our customers with a wide variety of specifications and special applications. We also distribute wood boxes, crates, pallets, wirebound and other defense-related containers.

Our state-of-the-art facilities and equipment include an 80,000 square foot manufacturing and distribution center with other satellite manufacturing and distribution capabilities across the U.S. Elsons International's trained and experienced personnel will help you accomplish your packaging and shipping goals by incorporating benefits such as warehousing and just-in-time deliveries. Our rigid quality control and safety standards are applied to every item and project.
